CAREER OBJECTIVE

A passionate Computer Science graduate seeking an opportunity to start my career in a dynamic company where I can apply my technical knowledge, develop innovative solutions, and grow professionally while contributing to the organization's success.

EDUCATION

Grace College Of Engineering (2022 - 2026)

CGPA - 7.2

B.E (Computer science and engineering)

Karapettai Nadar Higher Secondary School

Percentage - 71%

XII (Higher studies)

INTERNSHIP

CODUX DIGITAL - REACTJS INTERN

CHENNAI | 2025 June - July

- Used Figma to create responsive-design layouts for a static single page website
- Implemented responsive layouts to ensure compatibility across mobile, tablet, and desktop devices
- Developed the webpage using HTML, CSS & JS

PROJECTS

Spare Parts E-Commerce Platform for Cars and Bikes

Developed an online platform that enables users to browse, search, and purchase car and bike spare parts through a user-friendly interface. The system provides seamless product navigation and efficient management of customer interactions.

My contributions

- Built the user-side application with product browsing and shopping cart functionalities.
- Developed responsive interfaces and collaborated with the admin panel developer for system integration.

SKILLS

- Python
- Javascript
- Flask
- ReactJS
